DRM-MTLAYK-26

DRM-MTLAYK-26 (Furniture Leg)

DRM-MTLAYK-26 (Furniture Leg) is a decorative furniture leg designed for sofas, seating sets and contemporary upholstered furniture. With a 160 mm (16 cm) height, it provides sufficient floor clearance for robot vacuum cleaners while adding a clean, modern and elegant appearance to furniture.

DESCRIPTION

Designed to combine functionality with aesthetics, it offers reliable long-term performance for a wide range of furniture applications. Available in **four different RAL color finishes**, it complements modern, classic and premium furniture collections.

DRM-MTLAYK-26 is an ideal furniture leg solution for sofas, seating systems and custom furniture projects requiring contemporary aesthetics, practical functionality and reliable performance.

DISCLAIMER

The information contained in this Technical Data Sheet is based on laboratory testing, practical experience and current knowledge at the time of publication. The values provided are intended as general guidance and may vary depending on application methods, operating conditions, substrates, environmental factors and production processes.

Since the conditions of use and application are beyond our control, customers are responsible for determining the suitability of the product for their specific application through their own testing and evaluation.
