DRM-TBNC-KLPS-00

DRM-TBNC-KLPS-00

DRM-TBNC-KLPS-00 (Clip Gun Fastener) is a professional upholstery fastening component designed to be used together with DRM-ZGZG-SLNCK-01 (Zigzag Spring Swing Clip), DRM-KĞT-KTEL-01 (Paper Covered Wire) and DRM-CLPS-17 (CL17 Clips). Installed using a pneumatic clip gun, it ensures secure and accurate assembly of the complete zigzag spring suspension system.

DESCRIPTION

Working together as an integrated solution, these components allow the zigzag springs to move in synchronization, distribute weight evenly across the seating surface and improve overall suspension performance. The result is enhanced seating comfort, improved cushion shape retention and extended furniture durability.

DRM-TBNC-KLPS-00 is an essential fastening component for manufacturing premium sofas, armchairs, modular seating systems and other high-quality upholstered furniture.

DISCLAIMER

The information contained in this Technical Data Sheet is based on laboratory testing, practical experience and current knowledge at the time of publication. The values provided are intended as general guidance and may vary depending on application methods, operating conditions, substrates, environmental factors and production processes.

Since the conditions of use and application are beyond our control, customers are responsible for determining the suitability of the product for their specific application through their own testing and evaluation. The information provided does not constitute a warranty or guarantee of product performance in any particular application.

Product specifications, formulations and technical data may be modified without prior notice as part of continuous product development and improvement programs. The latest version of this document supersedes all previous editions.
