DRM-OVAL-30/40

DRM-OVAL-30/40

DRM-OVAL-30/40 (30×40 Oval Plastic Profile Insert) is a professional plastic end cap designed to fit 30×40 mm oval metal profile legs according to technical specifications. It is widely used in office furniture, workstations, conference tables, metal furniture and commercial interior applications, providing a clean appearance, durability and floor protection.

DESCRIPTION

Its durable construction protects the open ends of metal profile legs against impact, deformation and wear while giving furniture a modern and professional finish. It also provides stable floor contact, reduces surface damage and extends the service life of furniture.

DRM-OVAL-30/40 is an innovative profile insert solution for office furniture, contract projects, tables and seating systems manufactured with oval metal profiles.
