DRM-PML-PLSTK-97

DRM-PML-PLSTK-97

DRM-PML-PLSTK-97 (Plastic Pin Leg) is a durable furniture leg manufactured according to the specified technical dimensions, primarily designed for office chairs and occasionally used in single-seat lounge chairs. Its pin-fit mounting system enables fast, secure and efficient installation while simplifying furniture assembly.

DESCRIPTION

Manufactured from high-quality engineering plastic, DRM-PML-PLSTK-97 provides excellent floor contact, improves furniture stability, protects floor surfaces against scratches and ensures quiet operation. Its robust construction delivers long-lasting performance, making it an ideal solution for modern office seating applications.

DRM-PML-PLSTK-97 is widely used in office chairs, task chairs, visitor chairs and lounge chairs, offering furniture manufacturers a reliable, durable and aesthetically refined leg solution.
