DRM-KNK-AYAK-26

DRM-KNK-AYAK-26 (Conical Plastic Profile Insert) is a professional plastic end cap manufactured according to the specified technical dimensions and available in three different sizes. Its conical design allows quick press-fit installation into metal profile tube legs, providing a secure and reliable fit.

DESCRIPTION

The insert protects the open ends of metal profile legs against impact, dust and deformation while giving furniture a clean and professional appearance. Its durable construction ensures a tight fit inside the profile, minimizing the risk of loosening and extending the service life of the furniture.

DRM-KNK-AYAK-26 is an ideal solution for office furniture, tables, chairs, coffee tables, metal structures and various furniture applications utilizing metal profile tube legs.
