

DRM-MTLAYK-DSTK16

DRM-MTLAYK-DSTK16 (160 mm Furniture Leg)

DRM-MTLAYK-DSTK16 (160 mm Furniture Leg) is a decorative furniture leg designed for sofas, seating sets and contemporary upholstered furniture. Thanks to its concealed mounting interface, the fixing point remains hidden beneath the furniture, creating a clean, modern and elegant appearance while the leg itself remains visible.

DESCRIPTION

Providing **160 mm (16 cm)** of floor clearance, it allows sufficient space for robot vacuum cleaners and simplifies everyday cleaning. Its contemporary design blends seamlessly with a wide range of furniture collections, combining aesthetics with practical functionality.

DRM-MTLAYK-DSTK16 is an ideal furniture leg solution for sofas, seating systems and custom furniture projects requiring elegant design, concealed mounting details and reliable performance.

DISCLAIMER

The information contained in this Technical Data Sheet is based on laboratory testing, practical experience and current knowledge at the time of publication. The values provided are intended as general guidance and may vary depending on application methods, operating conditions, substrates, environmental factors and production processes.

Since the conditions of use and application are beyond our control, customers are responsible for determining the suitability of the product for their specific application through their own testing and evaluation. The information provided does not constitute a warranty or guarantee of product performance in any particular application.

Product specifications, formulations and technical data may be modified without prior notice as part of continuous product development and improvement programs. The latest version of this document supersedes all previous editions.
